BISHOP JOHN INFORMALLY VISITS OUR PARISH this past week and celebrated the daily liturgies for Tuesday and Wednesday along with Father Diodoro Mendoza. A nice group of parishioners attended liturgies in our chapel and a little breakfast was served in the parish hall. It gave a chance for our parishioners to meet our newly enthroned Bishop. Bishop enjoyed his visit.

Thank you to our cantors and kitchen staff.

Congratulations Anthony Gath, an altar server for our parish, earned the Eagle Scout award this summer. For his Eagle Project he led his troop in building 14 planter boxes with trees and Stations of the Cross for a local Catholic Elementary school. Anthony, a junior in high school, continues to be active in his troop and helps lead the younger scouts. His parents, Greg and Beth are shown in the photo. Many more happy and blessed years.

Abortion in America

"America you are beautiful and blessed. The ultimate test of your greatness is the way you treat every human being, but especially the weakest and most defenseless. If you want equal justice for all and true freedom and lasting peace, then America, defend life". - Pope John Paul II

- America was founded upon the "self-evident truth" that all humans are endowed with the unalienable right to LIFE. Yet a baby is aborted every 23 seconds in the U.S. Over 4,000 babies are aborted every day. About 60 million babies have been aborted since the decision of Roe v Wade in January 1973. Abortion is truly "America's holocaust".
- As a result of Roe v Wade and sister case, Doe v Bolton, America has some of the most liberal laws on abortion in the world, effectively allowing abortion on demand throughout the whole nine months of pregnancy.
- The abortion rate in the U.S. is higher than Western Europe and Canada. It is not as high as the rates in China, Cuba and the former Soviet Union countries which have reached epidemic levels.
- Teenagers constitute around 20% of all abortions in the U.S. About 55% of minors who have abortions do not tell their parents.
- 17 states use public funds to pay for abortions, so about 15% of all abortions in the U.S. are paid for with public money. Our tax dollars fund Planned Parenthood, the nation's largest abortion provider and promoter of casual sex and abortion.
