**THE BEGINNING OF THE INDICTION OR OF THE NEW ECCLESIASTICAL YEAR**

The Indiction (from the Latin word *indictio* – proclamation for tax), was a period of 15 years, in which the Roman Emperors used to impose a tax for the maintenance of the army. This is why each cycle of 15 years, starting from the reign of Augustus, is called an Indiction. In the West, it is known as the Caesar's Indiction (which begins on the 24th of September) and the Pope's Indiction (which begins on the 1st of January). In the East, it is known as Constantinople's Indiction (which begins on the 1st of September).

The Church honors this day for three reasons: First, for the commemoration of the occasion when our Lord Jesus Christ entered the Synagogue and, opening the Book of Isaiah, read the passage where the Holy Prophet says about Him: "The Spirit of the Lord is upon me, because he has anointed me to preach the good news to the poor... to proclaim the acceptable year of the Lord" (Luke 4,18-19).

Second, because this day was the first of the political and ecclesiastical year in the Byzantine Empire and third, because Christians must gather together in oneness of mind and praise with one voice, Him Who is single in His nature and threefold in His Persons, Who dwells in bliss everlasting, holds all things in being, and showers blessings upon the works of His hands at all times.
