WHAT'S EXPECTED OF US?  
What fruit or harvest does the Lord expect from us? As workers in the vineyard of the Lord and the children of God, we are expected to bear the fruits of the Holy Spirit. These fruits, or virtues, are: wisdom, justice, patience, moderation, faith, hope and love. These are the fruits we are to bring forth to the altar in the vineyard of Christ. Of all these attributes, love will be the most important of the

harvest. "By this [love] all will know that you are my disciples. If you have love for one another (John 13: 35)." An illustration may assist our understanding of the harvest that is expected of us. A church had two beautiful stained glass windows that were exactly the same, except on opposite sides of the church. The sun only shone through one of them producing a wonderful effect while the other one seemed dark and unremarkable because the rays of the sun were not reaching it. The light of the sun made the difference by producing the beautiful effect that was expected of a stained glass-window. Does the light of Christ shine through our lives? Do our lives as Christians produce the expected beautiful effect? Or does the light of Christ shine through some of us while others are dark and unremarkable? Jesus said: "Let your light shine before men...(Matthew 5: 16)." People should be able to tell that we are the stewards of his holy vineyard, that we bear fruit and present the harvest in due time to God, and that the virtues of wisdom, justice, patience, moderation, faith, hope and love allows the Holy Spirit to shine through us. This is the harvest that our Master is expecting from us, the workers of his Holy Church!
